Workforce

Health & Social Care

Fully funded qualifications

Are you a Lancashire based employer looking to boost skills in your business?

Commissioned by the ESFA and working with the Lancashire LEP, Skills Support for the Workforce offers fully funded support to help you develop your staff through a range of training programmes which are tailored to your business needs.

These qualifications are designed for people working in both the adult care and healthcare workforce in England. These are industry recognised qualifications, assessing both knowledge and competence that is transferable across the health and care sectors. The delivery of the qualifications is undertaken within the workplace with minimal disruption.

Qualifications we have available in the Health and Social Care sector:

- Level 2 Diploma in Care

- Level 2 Award in Awareness of Mental Health Problems

- Level 2 Award in Dementia Awareness

- Level 2 Certificate in Principles of Safeguarding and Dignity in Adult Care

- Level 2 Certificate in Equality and Diversity

- Tailored HR and management courses

Plus, many others...
