

T Level Midwifery Day

Friday 5th July 2024 | 1pm - 3pm

We are delighted to announce that we will be launching a brand new T Level Health pathway in Midwifery this coming September 2024.

This exciting venture presents a unique opportunity for individuals like yourself to embark on a journey towards a rewarding career as a **Midwife**.

Partnering with East Lancashire Hospital Trust, we are proud to offer this comprehensive training program exclusive to our College. As the only College in the area providing this Midwifery pathway, we are dedicated to empowering aspiring Midwives and contributing to the healthcare sector.

To launch this initiative, the NHS will be hosting an information day on:

Friday 5th July
Burnley General Hospital
Bay 1 and 4 - Victoria Wing Ward 18

Limited places are available so don't miss this opportunity to secure one of the places available on this pathway.

If you are passionate about pursuing a career in Midwifery and keen to be a part of this exciting opportunity, please contact our Head of Division, Michael at michael.milligan@nelsongroup.ac.uk.

Michael will be more than happy to provide you with further information and details of how to apply.
